Tubes manufactured by Lalbaba Seamless Tubes are a trusted name in industries like mining, oil &amp; gas, automobiles, cranes, hydraulics, boilers, power plants, cooling towers, and railways. The company's manufacturing facilities are spread across 700,000 square feet coupled with the strategic proximity of Haldia port, making it one of the dominant suppliers in the whole of Eastern India. Lalbaba Seamless Tubes Pvt. Ltd.'s unparalleled commitment towards rolling out pipes with international marks of quality has helped the company to sustain its supplies in an intensely competitive environment in Europe &amp; USA. With the value of sustainability at heart, the company has introduced the usage of solar energy in the plant. The reason Lalbaba Seamless Tubes Pvt. Ltd. is preferred in over 20 countries is that apart from being one of the largest manufacturers of seamless tubes in India, it goes through unfaltering inspection levels from the input raw material to the final product. The company's NABL-accredited lab is equipped with a full range of testing facilities ensuring uncompromising quality. Apart from having a firm quality control system in place, Lalbaba Seamless Tubes Pvt. Ltd. also pays strict attention to the timely delivery of its products. Lalbaba Seamless Tubes Pvt. Ltd. has a nationwide presence across both eastern and western India. Besides a full-fledged plant in Haldia, there is another unit at Ahmednagar to cater to our customers in western markets</p>

*Thank you*

What a journey it has been! I would like to take this opportunity to thank you for steadfastly supporting Boiler India 2022.

Your participation has been of critical essence to the success of the event and we look forward to seeing you in the future editions too.

I am proud to inform you that we are launching the international edition of the expo called Boiler World, which is happening in Nairobi, Kenya, Africa in August 2023. My team would love for you to be part of the exhibition and enjoy the exposure to the East African business.

Now that the BI-22 is over, we earnestly wish that your business finds various avenues for growth and that the network you build here takes you a long way ahead.

My team is always happy to help and proud of our association with you.

Thank you, Boiler Indian!

With best regards!
